Letter No.C.558/24-25 dated 19/21st March 1925 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

"I have the honor to state that from the enclosed file of record received with the correspondence ending with Nanjangud Sub Division -- Officer's memo No.R.O.C.1101/22-23 dated the 20th February 1925, it is seen that one Chendrashekharabhatta, Sthanik of Sri Chamarajeswaraswamy temple at Chamarajanagara presented a petition before the temple office stating that on account of his old age and ill-health, he cannot work any longer, that he may, therefore be relieved of the temple service and that as he had no male issues, the post he held, might be filled up by Government, and praying that as he had no other means for maintenance he might be granted for life one seer of rice with lavajama per day, either in kind or cash, in consideration of his long service of 45 years in the temple. The temple Dharmadarsis to whom this petition was ---- referred for opinion, have resolved at a meeting held on the 16th March 1923 that the petitioner might be granted Rs.4/- per month from temple funds in consideration of his long and responsible service in the temple the local officers also recommend the proposal of the Dharmadarsis.

Asked as to what pay Chendrasekharabhatta was getting as Sthanic whether there were no other relatives who could claim the baraward held by him, whether chendrasekarabhatta would agree to the appointment being given to any one selected by Government, and whether there were any nehmi vacancies attached to the Annachattram, and if so, to what extent relief could be given to the petitioner, etc., the Amildar --- reports that the official was getting Rs.8/- per month that he has no relative to claim the baraward, that the official has given a statement on the 16th May 1923 that the appointment might be filled by any one selected by Government and as no nehmi vacancy existed in the Taluk to give relief to the petitioner, he might be granted a monthly allowance of Rs.4/- from the Temple funds as opined by the Dharmadarsis.

It is seen from the extract of service baraward Register ------- (enclosed) that the official joined service on 1st April 1876 and ---- continued to work to the end of May 1924 putting a total service of 48 years.

As the official has rendered considerably long service temple, in a satisfactory manner, I think his case deserves a consideration and I therefore request that sanction may kindly to the grant of a monthly allowance of Rs.4/- to the petitioner case, the charge being met from the temple fund."
